Stage Rehearsal : Wednesday May 22ND HAS BEEN CANCELED!

We were told Friday that we will not be able to use the stage at Ross N. Robinson for our Wednesday rehearsal. The school is having their award days on Wednesday and Thursday and will be using the stage on those days. We WILL be able to use the stage on Thursday after 1:00 as the school will then be out of session. There has been confusion about our contract with the school since I booked back in July. We first booked for Thursday, Friday and Saturday, only to be told in October that we couldn't have Friday. Now we can't have Wednesday, however I know that we will do just fine with only the Thursday rehearsal time. I just like to have the extra time on stage for the little ones if possible, and this year it just isn't possible.

We were also told Friday there will be a problem with the school's parking lot. They will be paving the parking lot that weekend, however the parking lot across the street, (the Chinese restaurant) will allow us to use their space for parking. Please do not park in front of their business as they too need the parking spaces for their costumers.

I am so sorry for all the confusion, however, there is nothing I can do about it, except rely on all of you to be up to the challenge.

We will need to set up the dressing areas Thursday afternoon so the dancers may have a place to change, then take it all down again Thursday night so the Gospel people may use the school on Friday. Then we will have to set up all areas again on Saturday before the recital. This also means laying the stage floor on Thursday and taking it up on Thursday night to re-lay it on Saturday as well.

We will start dress rehearsal promptly at 3:30 pm.

Dress Rehearsal is exactly that, costumes, makeup, hair, earrings, shoes, tights, just as they are for recital.

YOU MAY TAKE AS MANY PICTURES AT REHEASAL AS YOU WISH, THERE WILL BE NO PICTURES AT RECITAL.

Dancers must stay backstage during the entire recital. NO EXCEPTIONS.

Remember parents you are to enjoy the performance from your seats, we will have helpers backstage to assist your dancer with any and all needs.

DO NOT COME BACKSTAGE DURING THE RECITAL OR DURING INTERMISSION. ONLY ONE PARENT IS TO COME BACKSTAGE TO PICK UP DANCERS AFTER THE FINALE IS OVER.

Please do not run throughout the school during rehearsal, this goes for siblings as well. Also make sure to sit with your dance group during rehearsals. This will greatly speed things up as we will not have to look for you if you are with your group.

RECITAL: All dancers must check in backstage 45 minutes before recital. Pre School - Level 2B Dancers will be changing in the cafeteria, with the exception of quick changes.

We must leave the school in better shape than we found it; that means, pick up ALL pins, feathers, trash, etc.

PLEASE NO FOOD, DRINKS, GUM, OR MARKERS.
