We will begin with the AFTERNOON SHOW, going through Recital in show order. All dance classes are in the finale, so make sure your are lined up back stage. WE WILL DO FINALE IN THE MIDDLE ONCE AGAIN, YOU MAY LEAVE AFTER THAT IF YOU HAVE ALREADY FINISHED YOUR DANCES.

EVENING SHOW WILL START AT 6:00 going through Recital in show order. See the listing in the HALL OF FAME for order.

Dress Rehearsal is exactly that, costumes, makeup, hair, earrings, shoes, tights, just as they are for recital.

YOU MAY TAKE AS MANY PICTURES AT REHEARSAL AS YOU WISH, THERE WILL BE NO PICTURES AT RECITAL.

For most students, this is the only time they can see recital, as they must stay backstage during the entire recital. **NO EXCEPTIONS.**

Remember parents, you are to enjoy the performance from your seats. We will have helpers backstage to assist your dancer with any and all needs.

DO NOT COME BACKSTAGE DURING THE RECITAL OR DURING INTERMISSION. ONLY ONE PARENT IS TO COME BACKSTAGE TO PICK UP DANCERS AFTER THE FINALE AND THE CURTAIN CLOSSES. DO NOT TAKE DANCERS OFF THE FRONT OF STAGE AFTER FINALE.

RECITAL: All dancers must check in backstage 45 minutes before recital. Pre School - Level 2B Dancers will be changing in the cafeteria, with the exception of quick changes.

We must leave the school in better shape than we found it; that means, pick up ALL pins, feathers, trash, etc.

PLEASE NO FOOD, DRINKS, GUM, OR MARKERS.

However do bring, books, toys, to play with backstage while waiting for your number. Remember to be a good neighbor to each other and to the school.

Don't bring in anything that you do not take back out with you. If someone else doesn't pick it up, you do it please.

Let's have the best recital ever! We have enjoyed teaching you and want you to enjoy your recital experience.

like to be covered while changing. Hair should be neat and away from the face, that means no bangs please.

I would like all dancers to wear rhinestone earrings. Levels 1-6 need to wear false eyelashes.

We still need a few moms to help backstage helping with changes and hair, etc. in the cafeteria area. I need

4 more moms for the 3:00 show and about 4 more for the 7:00 show. You may watch your dancer from the back or the side of stage when it is her turn to dance. This is only for the Moms who have dancers in both shows. That way you can be an audience for one and help with the other show. Thank you for a wonderful year!
