

August/September 2015 Dancebeat

WELCOME TO THE CENTRE FOR THE PERFORMING ARTS

We are so excited that you are joining us to dance this year. Thanks to all of you for your patience with scheduling. It's a "good problem" to have busy classes and we will add additional times and days to the schedule as needed.

CPA strives to provide dancers and their families with all the information needed in our monthly newsletters. If you misplace your copy or need a quick answer, all newsletters are also posted on our website.

Our *Guidelines, Rules and Dress Code* and *Permission Slips* are attached. CPA expects that you read and follow these policies as we enforce them throughout the year. The way you look in class is the way you will dance!

We are proud of our facility and hope that you feel comfortable here. It will be hectic for the first few weeks, but we can work together for a smooth beginning, a productive season and a successful year-end recital!

Following these steps will ensure we all have a great year at CPA:

- Parents are not required to wait during classes. The waiting area for families is downstairs. Food and drink are not allowed. Please take all trash with you when you leave.
- Keep siblings with you at all times and encourage quiet and calm behavior. There is no supervision for children who are not attending class.
- Studio C (downstairs) has a dressing and waiting area for dancers only. This is not a play space.
- The upstairs homework area is for dancers only. No eating or drinking is allowed in this space.
- Respect our plants by not smoking near the building and by keeping little fingers out of the dirt.
- Please do not arrive more than 15 minutes before your class time as we cannot supervise dancers not in class.
- Every time dancers enter or leave the studio, they are expected to have top and bottom clothing to cover their leotards.

TUITION RATES, billed monthly, remain a set amount regardless of the number of weeks in a month (see your rate at the top of this newsletter). As we are dancing two weeks earlier this year, August is considered a half-month. Each month, tuition payments are due by the first lesson and "late" after the 10th of month; a \$5 fee will then be applied. A \$25 fee will be charged for each returned check.

We accept cash and checks (made out to "CPA"); receipts for cash payments are available. PLEASE include the dancer's name and a breakdown in the memo line. Ex: "Jane Long, \$48 tuition, \$20 costume deposit." Payments may be mailed or given to Mr. Daniel

We are having a recall on IT brand tan tap shoes. The company has made a huge mistake with the leather on the top of the shoe. If you will bring in any IT logo tan tap shoes that you bought, CPA will replace them with another brand new pair. This applies to shoes bought in the last six months only. Sorry for any inconvenience.
