Balance Due:

Costumes are on order! We aimed for the best fit, but we can change sizes IF you get measured THIS WEEK. The cost of costumes has gone up a little and some companies now require we pay tax. We try to be as economical as possible.

Costumes must be paid in full by the end of the month.

Costume money is non-refundable, and costumes can not be returned to the companies for credit.

REMINDERS:

IF YOU HAVE MISSED 6 OR MORE CLASSES, YOU WILL NOT BE ABLE TO PARTICIPATE IN THE RECITAL. MAKE UP CLASSES BEFORE APRIL 1ST!

KICKLINE AUDITIONS WILL BE SUNDAY FEBRUARY 12th. CHECK WITH MS. DOROTHY IF INTERESTED.

CLASS ATTENDANCE

Please attend every class from now on as we will begin working on choreography and technique during class by the first of February. Learning is most beneficial to all when everyone is present. Now is the time to make up any missed classes. May is too late. (See reminder notes.)

All classes must be paid for whether or not they are made up. We follow the school year of 36 weeks, divided into 9 equal installments (so it does not matter if there are 3, 4, or 5 lessons that month).

Spring Break More about this latter.

Our Snow Policy: We are open. Please call if there is any doubt about road conditions. We usually decide by 2:00 p.m. about closings and will announce it on the radio if we do have to close. We are usually open. If you feel it is not safe, however, please stay indoors. Classes can be made up, lives cannot.
