

February 2023 Dance Beat

RECITAL INFORMATION & DATES

Recital: Saturday

May 20, 2023

Rehearsal Dates:

Thurs & Fri 18 & 19th

Ross N. Robinson Middle

Seating

Due to limited space we again are doing reserved seating in recital. We have been asked to do one recital this year to accommodate families traveling and those with more than one child in the family dancing. It is always hard to get siblings in the same recital, so this year we will try to do it in one recital.

Tickets for recital will go on sale Saturday, April 29. Each family receives a voucher for two free tickets, the rest may be purchased on ticket day at \$10.00 each. Remember these are vouchers and need to be turned in for actual tickets. As we did last year, we may have to restrict the number of extra tickets you may purchase on April 29. A limit of six extra tickets per family with a total of eight will be the rule, until all have had a chance to purchase their tickets that day.

Extra tickets will go on sale the following week. Thank you for your understanding in this matter.

One or two classes may combine to be in the same dance this year. We will let you know when it is time to come to each other's class beginning in March.

Please wait until after recital to cut your hair and remember no bangs please. Bangs cause shadows on your face

when you are on stage. We want to see your beautiful eyes.

Costumes:

Costumes have begun to arrive a few weeks earlier than usual; they are being tried on and sent home. Remember when you take them home, please do not play in them. Hang them up somewhere safe. It would not be possible to get a replacement before recital.

Let me say costumes must be paid in full at this time as CPA had to pay for these in December when they were ordered.

There can be no cancellations or refunds at this time. We can sometimes cancel a costume if done by January 15th at a restocking or cancellation fee, which most times costs as much as the costume itself. Also

Large costumes are always extra money, \$15 per costume. So PLEASE pay those costume balances ASAP. Thank You.

Personal Hygiene Problems

Ms. Teresa has asked me to remind all dancers that we need to be aware of personal hygiene and to wear deodorant while at the studio. Yes even seven year olds may need to do this.

Kickline News:

There has been a change in the auditions dates. They will be done in class beginning the week of February 20th. Practice days and times to be announced. This requires a rental costume cost and the costume must be turned in at recital.

Senior Father/Daughter

Will begin Wednesdays March 29th, 6:00 p.m. This is a wonderful tradition at CPA

Makeup those classes:

We have fifteen weeks till recital. It seems a long time from now, but it isn't. Please, if you have more than the allowed absences, now is the time to make them up. Remember, only 6 allowed if you wish to be in recital; if you have 9 or more, you will not be able to advance with your class next year. It will be harder to make up the closer we get to recital; so try to get it done before April.

• SPECIAL EVENT

Our hall of fame is up with costume pictures and more recital related information listed this week. Please check each week as we will update with further information as recital gets closer.

Snow Closings

CPA does not follow city or county snow days. We are open. If you feel it is safe; come to class. We will decide by 2:00 pm and list on Facebook if we feel it is necessary to close.

Spring Break:

Due to the fact that schools are not on the same schedules this year, CPA will NOT CLOSE for Spring Break.

I know this might be a time when you are traveling to Disney or family vacations, so please be careful and have a blessed time.

RECITAL T-SHIRTS

We will again be doing a special recital T shirt this year and we can all wear them to promote our production. They are included in your \$35.00 recital fee, for the first child in each dance family; shirts for additional dancers will be \$15.00, tax included.
